

EVANGEL SCHOOL of
URBAN CHURCH PLANTING

Evangel School of Urban Church Planting

Evangel exists to help your movement, ministry network, denomination or church develop a sound, reproducible strategy to plant healthy churches in communities of poverty.

The Evangel School of Urban Church Planting (online via World Impact U)

Evangel Schools of Urban church Planting are offered by Certified Evangel Deans who train and coach church plant teams using *Ripe for Harvest: A Guidebook for Planting Healthy Churches in the City* as they develop a contextualized model, strategy, and twelve-month plan toward planting (or replanting) a church.

Benefits to your Church Plant

- A twelve-month strategic plan toward planting your church
- An Evangel Field Coach who will walk with your team for one year after the school as you move toward planting your church
- Your church will be part of the Evangel Network – a fellowship of like-minded church plants
- Your church will become an Approved World Impact partner with the ability to host other World Impact programs and access additional resources through World Impact U.

Summary

- Team members complete sessions of the Evangel School via [World Impact U](#) (est. 20-25 hours)
- Team members meet with Evangel Coaches via zoom for Coaching Sessions (est. 12 hours)
- An Evangel Field Coach will guide teams through every step of the Evangel School
