Adapted from Exod. 15, Ps. 45, et. al.

Yes, the LORD is a warrior;  
Yahweh God, the LORD of hosts is his name.  
Lord Most High, the mighty God  
Working wonders in the earth for your fame  
Now, ride forth victoriously  
Gird your sword upon your side, you mighty one  
For so great is your majesty  
God arise, come and make your kingdom come  
You're my Strength, my Defense  
You're my God, and You're my Praise  
You're my Shield, You're my Song  
Adonai, mighty to save  
Victory, now is mine  
Through my Champion divine,  
You shall reign--spread your fame  
The LORD is a warrior!
